This is to inform that the Social Science Club of Oriental Education Society Of Arts, Commerce and Science is organizing a Financial Literacy Awareness Programme for all degree students on Saturday, 18th January 2024, in 2nd Floor, College Auditorium from 11 AM to 1 PM.

This programme aims to educate students on essential money management skills and promote financial responsibility among youth. All students are encouraged to attend. We encourage all departments to support and motivate students to attend this seminar.

AGENDA

1. To educate students on the fundamentals of financial literacy, including budgeting, saving, banking, and digital transactions.
2. To promote responsible financial behavior and informed decision-making among students.
3. To create awareness about the importance of managing personal finances effectively from an early age.
4. To encourage the habit of saving and investing among students for future financial security.
5. To empower students with practical knowledge that can help them avoid debt and build a strong financial foundation.
6. To bridge the gap between academic learning and real-world financial challenges faced by young adults.
7. To motivate students to adopt digital financial tools and understand their safe and secure usage.
